

GFWC Disaster Relief—Library Replenishment Fund Application

To assist GFWC communities affected by manmade and natural disasters, GFWC established the **GFWC Disaster Relief—Library Replenishment Fund**. Tying together members' generous financial gifts and passion for literacy with our mission of community improvement through volunteer service, this fund will assist in restocking the collections of public and public school libraries that have been affected by either natural or manmade disasters.

GUIDELINES

- Clubs completing and application must hold active membership (per capita dues paying) in their State Federations and in the General Federation of Women's Clubs.
- Funding must be used to replenish libraries that have been affected by natural and manmade disasters.
- The libraries that receive these gifts need to be within the community or communities that your club membership serves.
- The application must include an impact statement, photos and/or news article showing the damage and destruction, and letter from affected library.
- Clubs must complete an evaluation, which will be included with the grant check if the club application is approved.
