COMMUNITY SERVICE PROGRAM

i Visit www.GFWC.org/membership/club-manual/ for updates and more information.

HOW CAN YOUR CLUB MAKE A GLOBAL IMPACT?

Half of the world's population, over two billion people, lives on less than \$2.00 a day and 21,000 children die each day due to poverty, hunger, and easily preventable diseases. GFWC encourages our clubs to reach beyond their own communities to the global community to make a lasting difference in the lives of children, their families, and communities.

The GFWC International Outreach Community Service Program is designed to enable members to become better world citizens through advocacy, education, and action, which will, in turn, affect change in and for our global friends and their communities.

In most cases, GFWC members cannot be physically present to assist and make changes in countries around the world; however, members can be assured the donations made through our partnership agencies are reaching those in the greatest need. There are countless ways to support global development and make a lasting difference.

Consider raising cultural awareness; celebrating ethnicities; conducting fundraising activities to support healthy child development; advocating for basic human needs such as food, water, clothing, and education; and promoting self-sufficiency.

GFWC COMMUNITY SERVICE PROJECTS

GFWC Community Service Projects are projects that members initiate and participate in to serve their communities—they do not include projects that relate to GFWC partners. These projects are specifically related to the International Outreach Community Service Program and may involve other members of the community, other organizations, or the individual club or members.

i Direct any questions regarding projects that do not involve GFWC partners to the International Outreach Community Service Program Chairman or GFWC Programs Department at Programs@GFWC.org.

COLLECTION OF CORRECTIVE GLASSES FOR MEDICAL MISSION TRIPS

Walhalla Woman's Club (SC) members assisted a community member with her medical mission trips to Eastern Europe, Africa, and Central America by collecting used reader and prescription glasses from their members, friends, and neighbors. The club recruited local churches and other local civic groups to participate in the project. As a result 976 pairs of glasses were donated, assisting people on three different continents to be able to see well enough to read.

TRAVELING TUTUS

GFWC New Tampa Jr. Woman's Club (FL) collects and distributes gently used dance attire to underprivileged children around the world. Club members cut tulle into strips and attached them to a piece of elastic in a variety of sizes and colors. The new tutus were delivered along with gently used dance wear and a cash donation to "Traveling Tutu's." It is said there are shortcuts to happiness and dancing is one of them. Little girls across the globe are enjoying their pretty tutus.

BOTTLE AUCTION

The **Junior Woman's Club of Woodstown (NJ)**, with 21 members, held a bottle auction. Members donate a wrapped bottle, which can contain anything. The bottles are then auctioned off and the winner opens the bottle for all to see. There are always some crazy items such as dish soap or shampoo that provide plenty of laughs. An easy fundraiser providing fun for the members, the event brought in over a \$120 at one meeting.

HOSPITALITY FOR INTERNATIONAL STUDENTS

A project in their own backyard gave the **Village Improvement Associates of Rehoboth Beach (DE)** an opportunity to work with international students in their community. Memorial Day to Labor Day members work to create a safe and hospitable community for the students working at local businesses in the summer. Members offer meals, transportation, emergency assistance, and fellowship. Members volunteered one night a week from May to September to prepare and serve meals with other service groups to these students.

GFWC PARTNERSHIPS

GFWC partners are the organizations listed with whom GFWC has established a formal relationship and mutual understanding. Our partners offer unique and customized services: materials, speakers, kits, and/or additional information specifically designed for GFWC clubs. They are aware of GFWC clubs' specific needs, our organizational structure, and have a signed Memorandum of Understanding with GFWC. GFWC partners will assist in monitoring the donations generated by GFWC members.

To ensure that donations to GFWC partner organizations at the individual, club, district, or state level are reflected toward GFWC's collective impact, make sure to write GFWC in the memo line on your donation check.

FUNDRAISING IDEAS

Sponsor a Local Read to Feed Program: What is Read to Feed? Read to Feed is Heifer International's unique reading incentive program. Schoolchildren from pre-kindergarten through 6th grade enlist sponsors to pledge a donation for each book read or hour spent reading. At the end of the program, the students pool in all the funds raised from reading to donate to Heifer International. Your club can help a child make a difference by sponsoring a local school Read to Feed program!

Auction with Heifer Animals: Auction off all the different Heifer animals! This way your club can focus on the purpose and details of the event, rather than procuring items. Your club can get an auctioneer, food, drinks, and build a great atmosphere of fun and support.

Every three minutes a child is born with a cleft.

What if this were your child?

It is estimated that two billion people, or one-quarter of the world's population, lack access to basic surgical care.

At Operation Smile we believe every child suffering from cleft lip or cleft palate deserves exceptional surgical care. That is what drives us: our global network of medical professionals, who donate hundreds of thousands of hours toward the care of children around the world each year, and generous people like you who are moved to make a difference in the lives of children you've never met.

We are an international medical charity whose global network of thousands of credentialed medical volunteers from more than 80 countries is dedicated to helping improve the health and lives of children from more than 60 countries. Since its founding in 1982, Operation Smile has provided more than 240,000 free surgical procedures for children and young adults born with cleft lip, cleft palate and other facial deformities. Operation Smile is the largest volunteer-based medical charity providing free cleft surgeries.

For more than thirty years, Operation Smile and GFWC members have worked together to provide free surgeries for these children, as well as care and comfort during their treatment.

A child's cleft lip or cleft palate can be repaired for as little as \$240 and in as few as 45 minutes, but it's more than a surgery. Your support gives renewed hope to children and families around the world.

Here is how GFWC and Operation Smile can work together to help bring children new smiles:

- Email or call and request Operation Smile's "Partners in Service" kit.
- Accept the challenge to "Give a Smile": donate at least \$240 to support Operation Smile's mission to provide free, safe surgeries for children with clefts. "Fundraising Ideas" booklet included in the kit
- Sew Children's Hospital Gowns, Blankets, No-No-Armbands, Smile Dolls, and Smile Bags to help comfort children during their hospital stay.
- Collect needed items and supplies for Operation Smile medical missions. Lists of needed items may be found in the kit.

Help us ensure that GFWC receives proper credit for your donation by including your club name on all checks. Include a contact person and address, and send them to the attention of Bonnie Keuhne, Development Officer, Community Relations.

We all treasure our children's first moments—their first birthday, first word, first step. Yet millions of children miss out on these moments because they don't have access to the vaccines they need.

Shot@Life educates, connects, and empowers individuals to champion global vaccines as one of the most effective ways to save the lives of children in developing countries. The campaign rallies the public to advocate and fundraise for global childhood vaccines. We believe that by encouraging people to learn about, advocate for, and donate to vaccines, we can decrease the 1.5 million annual vaccine-preventable childhood deaths and give every child a shot at a healthy life.

Your club can support Shot@Life by participating in the Shot@Life Award Program!

This Program awards clubs and states that raise funds or rally support for our cause. You can win by:

- Raising funds to send life-saving vaccines to children in developing countries
- Recruiting volunteers (Champions) who aim to show the US Government that we care about international vaccine programs
- Taking an advocacy action such as sending letters or meeting with your member of Congress in support of funding for global vaccines
- Providing an opportunity for Shot@Life staff or a Champion to speak at your state convention

Otherwise, we encourage clubs to:

- Follow Shot@Life on Facebook (Shot@Life) and Twitter (@ShotAtLife) to get the most up to date campaign information
- Organize or join Shot@Life advocacy and awareness events around key dates such as World Polio Day (October 24) and World Pneumonia Day (November 12)

To learn more about how you can participate in the Shot@Life Award Program, please visit www.shotatlife.org/gfwcawards.

We have a plethora of tools, resources, and speakers available to help your efforts. Simply contact info@shotatlife.org for more information.

Help us, help you! Please make sure to include your club name and state on all checks and reports sent to Shot@Life so we can make sure that it is credited to your club properly!
